

# THE LAUREL

THREE BEDROOMS • TWO BATH  
TWO CAR GARAGE • 1468 SQUARE FEET

At 1468 square feet, the Laurel is an efficiently-designed, mid-sized home offering both space and the comfort of single-level living. The covered front porch opens into an expansive living room, with vaulted ceilings and optional gas fireplace. An open dining area and kitchen has ample counter space and plenty of cupboard storage, along with a breakfast bar and pantry. The spacious and private master suite boasts a dual vanity bathroom and oversized closet. There are two more sizeable bedrooms that share a second bathroom. The convenient mud room and laundry has an optional bench coming in from the garage to round out this well-planned home.
