THE ELKHORN PLAN

The 1,518 square foot Elkhorn lives beyond its mid-sized floor plan. Featuring a contemporary architectural design, the front door opens to a spacious foyer with a nearby bedroom that could easily serve as a home office. The open kitchen displays ample counter space, a pantry, and a generously sized island. The living room and dining area enjoy a vaulted ceiling and adjoin a patio. The spacious and private primary bedroom suite boasts a dual vanity bathroom with a fiberglass stand up shower and an oversized walk-in closet. The second bedroom is nearby and the laundry room as well, rounding out this well-planned home.
