

THE BITTERROOT

THREE BEDROOMS • TWO BATHS 1,486 SQUARE FEET

At 1,486, the smartly designed Bitterroot maximizes every inch of space for a comfortable and efficient home. Featuring a contemporary roofline, this home has extraordinary curb appeal. Under vaulted ceilings, dining and living rooms share a considerably expansive space and are overlooked by a highly functional kitchen. The spacious primary bedroom suite has its own bathroom with a dual sink vanity and fiberglass standup shower. The second and third bedrooms have access to the hall bathroom with a full shower/tub. For convenience, the laundry room is located close to the bedrooms. Two patios offer plenty of opportunities for outdoor enjoyment.
