THE HUMBOLT PLAN

The 1,879 square foot Humbolt is an intelligently designed two-story plan that offers ease of living and space for entertainment. The open concept living room, dining room and kitchen have access to a large, covered patio, which is the perfect space for outdoor dining. The powder bath's private location is just down the hall from the main living areas and is situated adjacent to the separate laundry room. The Humbolt plan features an additional private, covered patio outside the primary bedroom, which is designed with a full dressing room including a large walk-in closet, dual sink vanity and fiber-glass stand-up shower unit. There's a generous bonus room, two guest bedrooms and a full bathroom on the second floor to complete the package.
